- YM Ocean** Yachtmaster Ocean (with Commercial Endorsement, where appropriate)
- AEC** Approved Engine Course
- MEOL(Y)** Marine Engine Operator License
- SMEOL** Senior Marine Engine Operator License

Certificate issued by other countries would be considered on their own merit once all the supporting documentation is submitted.

Declarations by Owner

Knowledge of English Language (for Master and all Officers)

The undersigned declare that the officer described in this application and whose copies of documents are attached is proficient in spoken and written English to a standard sufficient for service in a Jamaican ship. Further, that the officer can use and understand manuals, documents, equipment instructions, orders and other material in English necessary for the function to be performed on board.

Company:	
Signature:	
Position of Signatory:	

Note:

Please ensure the statutory fee of United States One Hundred and Ninety Dollars (US \$190.00) for issuing the endorsement accompanies the application.

FOR OFFICIAL USE ONLY

The correct nomenclature must be used for the function, level, limitations, and capacity. The level at which an officer is certified to perform should be at either management, operational, or support level as appropriate to the function as applicable. The limitations given must be unambiguous and should appear against both the function and the capacity.

Function	Level	Limitations (if any)
1. Navigation		
2. Cargo handling and stowage		
3. Controlling the operation of the ship and care for persons on board		
4. Marine engineering		
5. Electrical, electronic and control engineering		
6. Maintenance and repair		
7. Radio-communications
